CFO REPORT for

May 2021 Finance Committee and Board Meetings

Status of Energy Efficiency Project

Attached is a letter from centrica Business Solutions.

Blue Shield / State of California Vaccination Third Party Administrator

We are moving forward with training and implementation of vaccinations through our agreement with Blue Shield of California (the State designated TPA - Third Party Administrator) to allow us to continue to work with the County to provide vaccinations in our service area.

FY 2022 (July 1, 2021 through June 30, 2022) Budget Preparation

We have conducted budget meetings with each department. The Finance Committee will review key statistics, Capital Budget submittals, and key budget direction.

COVID-19 Expenses / Funding

Again in March 2021, we continued to see increased expenditures as a result of the Pandemic – mainly salaries, wages, and contract staff.

As we have discussed, we have some reserves to meet additional costs. We will work with wipfli (firm that prepares Cost Report) on reporting of CARES Act funds. We have applied for forgiveness of Paycheck Protection Program. We do not yet have word on the status of these funds.

April 27, 2021

Mr. John Friel Chief Executive Officer Bear Valley Community Healthcare District 41870 Garstin Dr, Big Bear Lake, CA 92315

Dear Mr. Friel,

Please accept my sincerest thanks for your business; we here at Centrica Business Solutions thank you for looking to us to meet the Hospital's infrastructure, energy efficiency and renewable energy needs. I would like to apologize for any inconveniences this might be due to the long process to get our design approved and construction started, as we have been driving towards a successful project completion.

My team did run into a couple road blocks right out of the gate, but within a little over a month, we were back on track finalizing our designs, get engineering drawings developed, engaging with OSHPD and the Utility. Lighting is scheduled to start installing in mid-June, followed by transformer replacements, mechanical and central plant upgrades, and Solar installed with Utility interconnection. As follows, a comprehensive detailed schedule will be provided by April 30, 2021.

Again, I apologize on any inconvenience this process has been, but I can assure you that we are on track to get this project completed for the Hospital. I would be more than happy to also address the Board of Directors at their next Board Meeting with a current update of the project.

Sincerely,

Mr. Josh Steeber Account Executive
